Change your perspective on eBooks

The A&AePortal features authoritative content in a wide range of subject areas. Discover exciting scholarly connections between books via text and/or image searches. With institutional and individual subscriptions providing access to all eBooks on the site, there is always something new to explore.

You see things in different ways, especially from the print volume. That's just something that I find enormously helpful about the platform, and it really has changed the ways in which I do research.

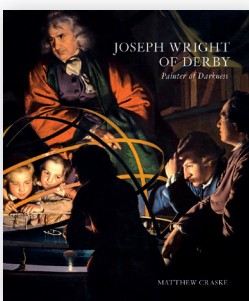

– Tatiana Flores, Professor, Rutgers University

This innovative and dynamic electronic platform provides individuals and institutions with access to important art and architectural history scholarship. With grant funding from The Andrew W. Mellon Foundation, Yale University Press has developed this site to make key backlist and out-of-print titles on a wide variety of subjects more broadly available and easily discoverable within an interactive platform. The ePortal also features scholarship from other leading university presses and museum publishers, creating a meaningful and robust educational experience.
